

Jadran Beaver Valley Junior Tamburitians

2365 Concord Street~Aliquippa PA 15001

New Member Information

- Our goal is to perpetuate the Croatian Culture and Heritage along with other Eastern European cultures including but not limited to Serbian, Slovenian, Bulgarian, Hungarian, Ukrainian, and Macedonia through song, dance, and music. In doing so our children will be taught by some of the most qualified instructors in the industry.
- Children will perform at the yearly JBVJT concert held in the spring. Here they will have at least 3-4 sets of different dances and songs from various regions in Eastern Europe
- Children and parents will have the opportunity to travel and perform at the Croatian Fraternal Union (CFU) Junior Cultural Festival held in the USA, Canada or Eastern Europe yearly on the July 4th weekend.
- Scholarship programs are available for graduating seniors with at least two years membership in JBVJT
- Parent(s) will become members of the Social and Glee Club "Jadran" (the Croatian Club). Dues are currently \$20/year (subject to change)
- The children may become members of a Croatian Fraternal Union Lodge "Nest". Membership is achieved by purchase of a life insurance policy for the children, currently around \$30/year/child. Becoming a lodge member allows you to perform at the yearly CFU festival.
- Dues for dance and music instruction are collected on a monthly basis. Dues are currently \$35/month/child or \$70/month/two or more children. Dues will be collected on the second Wednesday per month.
- A general parent meeting will be held monthly-usually on the second Wednesday per month during practice.
- Additional fundraising will be necessary during the year to cover the cost of all general expenses-costumes, travel, insurance, child outings, instruments etc. All fundraising is done by the parent group. The amount of fundraising needed is determined yearly by the number of children currently in the group and travel JBVJT may be doing for that year.
